

## **Book, Video and Article Recommendations for Parents & Teens Regarding Sexuality Education**

**Narda Skov, MPH**  
Sexuality and Health Educator

### **For Parents: Books**

1. **Talk to Me First** By Deborah Roffman  
“With wit, wisdom, and savvy, Deborah Roffman translates her experiences gleaned from decades of teaching kids and parents, and as a mom, into strategies to help parents navigate this tricky terrain. *Talk to me First* is for any parent who wants to become and remain the most credible and influential resource about sexuality in their children’s lives”. - Peggy Orenstein
2. **From Diapers to Dating** by Debra Haffner  
This book is a warm, practical, step-by-step program for helping parents provide accurate information and communicate their own values to their children. Haffner’s values-oriented approach to raising sexually healthy children is informative and comforting.
3. **It’s Not The Stork** (ages 3-8),
4. **It’s So Amazing** (ages 10 and under),
5. **It’s Perfectly Normal** (ages 10-13). All three books by Robie Harris. These books are wonderful resources for the basics about puberty, reproduction, sexuality and anatomy.
6. **Changing Bodies, Changing Lives** By Ruth Bell. This is a wonderful book that is full of medically accurate and comprehensive information about puberty and anatomy, but includes real teen stories about growing up. It includes sections on feelings, dating, depression and is also full of resources for kids and parents.
7. **For Goodness Sex** by Al Vernacchio, who came up with the pizza metaphor for consent and sexl. Al has a progressive, effective, and responsible approach to sex education for parents and teens that challenges traditional teaching models and instead embraces 21st century realities by promoting healthy sexuality, values, and body image in young people.
8. **Sex Positive Talks to Have with Kids: A Guide to Raising Sexually Healthy, Informed, Empowered Young People** by Melissa Pintor Carnagey, LBSW.
